Socialism with Chinese characteristics has entered a new era

of continuing in a new historical
context to strive for the **success of
socialism with Chinese
characteristics**

of securing a decisive victor in
building a moderately prosperous
society in all respects and moving
on to all-out efforts to **build a
great modern socialist county**

for the Chinese people of all ethnic
groups to work together and work
hard to create a better life for
themselves and **ultimately achieve
common prosperity for everyone**

for the Chinese nation to strive
with one heart to realize the
**Chinese dream of national
rejuvenation**

that sees China moving closer to
venter stage and **making greater
contributions to mankind**

Principal contradiction facing Chinese society had evolved

Between the ever-growing material and cultural needs of the people and backward social production.

Between unbalanced and inadequate development and the people's ever-growing need for a better life.

New thought rolled out as guideline

Thought on **Socialism with Chinese Characteristics** for **a New Era** defined as a “guide to action” that must be adhered to and steadily developed on a long-term basis for all Party members and all Chinese people in their efforts to achieve **national rejuvenation**.

Two important periods

Now-2020: Decisive in finishing the building of a moderately prosperous society in all respects.

Two-stage development plan

To build China into a great modern socialist country

- 2020-2035
 - Socialist modernization is basically realized.
- 2035 to mid-21st century
 - China will be developed into a great modern socialist country that is prosperous, strong, democratic, culturally advanced, harmonious and beautiful.

14-point basic policy

Underpins endeavors to develop socialism with Chinese characteristics in the new era

Ensuring Party leadership over all work

Committing to a people-centered approach

Continuing to comprehensively deepen reform

Adopting a new vision for development

Seeing that people run the country

Ensuring every dimension of governance is law-based

Upholding socialist core values

Ensuring and improving living standards through development

Ensuring harmony between humans and nature

Pursuing a holistic approach to national security

Upholding absolute Party leadership over the people's forces

Upholding the principle of "one country, two systems" and promoting national reunification

Promoting the building of a community of shared future for mankind

Exercising full and rigorous governance over the Party
